
Kaplow announces partnership with southeast Michigan program of leave a legacy

Robert Kaplow has become a community partner of the Southeast Michigan Program of LEAVE A LEGACY. By doing so, Rob has further maintained his commitment to the community by supporting and promoting the need for employees and citizens to leave a charitable bequest in their will or estate plan. Founded in 1997, the Southeast Michigan Chapter of LEAVE A LEGACY is a campaign conducted by the National Committee on Planned Giving to inspire people to make charitable bequests, a type of planned gift to be distributed sometime in the future to a charity meaningful to the donor. LEAVE A LEGACY is a national broad based community campaign that involves numerous types of non-profit groups and is conducted by professionals who assist donors with charitable estate planning.
