

Worker Classification: Why it Matters and an Update on the Latest Trends

Overview

- The Basics of Worker Classification
- The Consequences of Misclassification
- The Latest Developments in Worker Classification Cases and Law

Basics of Worker Classification

Basics of Worker Classification

- Defining "employee" vs. "independent contractor"
- Classification depends upon context
- Workers can be employees for one purpose and independent contractors for another purpose

Employer Responsibilities

- Taxes
- Compliance with State and Federal Labor Laws
- Compliance with ERISA

Employment Law | Managing the Tough Stuff – Navigating the Most Difficult Workplace Issues

Control: The Unifying Principle

- <u>Employees</u>: with respect to the work to be done by the worker, the employer controls both the "what" and the "how"
- Independent Contractors: employers control only the "what" and the "how" remains in the discretion of the independent contractor

Internal Revenue Service

National Labor Relations Act (NLRA)

Employment Law | Managing the Most D

Managing the Tough Stuff – Navigating the Most Difficult Workplace Issues

Classification Under NLRA

- "Right to Control" standard weighs a number of factors:
 - Extent of control
 - Skill required
 - Who supplies tools and situs of work
 - Whether work is integral part of business

Managing the Tough Stuff – Navigating the Most Difficult Workplace Issues

Michigan Worker Classification

Managing the Tough Stuff – Navigating the Most Difficult Workplace Issues

Michigan Unemployment

- "Economic Realities Test" weighing:
 - Control
 - Payment of wages
 - Right to hire, fire and discipline
 - Performance of duties as integral part of employer's business

Managing the Tough Stuff – Navigating the Most Difficult Workplace Issues

Michigan Worker's Disability Compensation Act (MWDCA)

- Utilizes a statutory three-part test which weighs whether:
 - Worker maintains a separate business
 - Worker holds himself or herself out and renders service to the public at large
 - Worker is or is not an employer under MWDCA

Consequences of Misclassification

- Tax Liabilities
- Wage Claims
- ERISA Exposure
- FMLA Violations
- I-9 Violations
